The Carmelite Centre program is designed around three threads which reflect the Carmelite Way:

Stillness & Silence
gives us the reflective space from which we can act.

Express & Explore
allows us to meet others with whom we can think and talk about the Carmelite Way.

Embrace & Act
allows us to bring contemplation into every aspect of our lives.

Ways of Seeing

Three days of Spiritual Workshops

23-25 MAY 2019

THE CARMELITE CENTRE, MIDDLE PARK

Ways of Seeing

These workshops engage the inner journey and how it can be manifested outwardly. It's about how each one of us uses art forms - painting, drawing, journaling, writing, music, movement - as means to spiritual exploration and expression.

The workshops are an invitation to creative involvement and taking time out; about personal growth, experience, and relationship.

The presenters are facilitators who, using their own skills, enable participants to shift their thinking and take on new possibilities. There will be artists in residence too!

The facilitators are hands on helping participants to shift thinking and take on new possibilities.

Participants are encouraged to bring their visual diary or writing book, as well as their own choice of writing and drawing implements.
